

How to find us

GASTEC at CRE Ltd [GaC] is situated in the middle of a small village called Stoke Orchard, North of Cheltenham in Gloucestershire, between the A435 and A38.

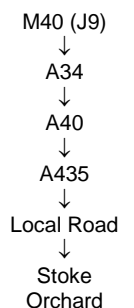

By road from the Southwest or North [from the M5]

The easiest way to GaC from the Southwest or North is via the M5. Exit at Junction 9, and take the A438 West towards Tewkesbury. As you approach the town, opposite a large supermarket on your right, you will see signs for Gloucester (A38) - turn left at the traffic lights onto this new by-pass and follow directions towards Gloucester. When you join the A38 proper, at a large roundabout, head South towards Gloucester. After approximately half a mile, you will see a public house called The Odessa Inn on your left-hand side. Turn left at this Inn onto a small lane signposted to Stoke Orchard. Follow this winding country road for approximately 2 miles. GaC is located on the Orchard Business Centre site in the middle of the village of Stoke Orchard on your left-hand side. *[Important: Please note - you cannot exit the M5 at Junction 10 Northbound!]*

By road from London and the Southeast [M40/A40]

From London and the Southeast, the M40/A40 is the easiest route to GaC. Take the M40 Westbound to Oxford and exit at Junction 9 signposted to Newbury (A34). Follow the A34 until you reach the first Junction signed to Cheltenham - exit and follow signs to Cheltenham eventually turning right at a large roundabout onto the A40. Follow this road for approximately 40 miles; you will approach Cheltenham through the village of Charlton Kings and find yourself on Cheltenham High Street shortly afterwards. Follow "Through Traffic" signs and keep heading towards Evesham (A435). This road will take you North out of town past Cheltenham Racecourse. Carry straight on past a large factory called Smiths Industries on the left-hand side and you will reach a roundabout. Take the second exit signed to Evesham and Stoke Orchard, you will pass the **Zurich** Headquarters building on your right before reaching another roundabout. Take the first exit here, signed to Stoke Orchard; GaC is approximately 2 miles further on the right hand side.

By road from the East & Northeast [A46/A435]

From the East & Northeast of Cheltenham, the best approach is via M1, linking to A42/M42 and then M5 Southbound as above. If it is inappropriate to link up with the M5 via the M42, then approach Cheltenham via Warwick / Stratford-upon-Avon and head towards Evesham on the A46/A435. There is a good by-pass around Evesham that is well signed towards Cheltenham. You will pass a public house called The Farmer's Arms on the left-hand side on the approaches to a small village called Bishops Cleeve. As you enter the outskirts of the village you will pass straight over one small roundabout followed after about a quarter of a mile by a second - turn right here [third exit] signed to Stoke Orchard. Follow this road until you reach the Orchard Business Centre site on the right hand side.
